

## **Elizabeth Curtis**

Elizabeth Curtis is in her fifth year on the Coleman Board of Trustees. She is a member of the Committee on Continuous Improvement and Client Rights.

In her capacity as a Coleman Board Member, Elizabeth is able to inform others of the realities of living with bipolar disorder and also to represent her friends who live with mental health issues. She believes that knowledge reduces stigma and wants to insure that the community has a basic understanding, so they can advocate for those who find it hard to share their struggles.

Elizabeth is very involved with her church, Riverwood Community Chapel. She also volunteers at the Portage County Historical Society and is a member of the Eastwood Church of the Brethren.
