For Immediate Release

JACSUN KELLOGG JOINS COLEMAN'S CHILD AND ADOLESCENT STAFF

KENT, Ohio (January 12, 2012) Coleman Behavioral Health announces the hiring of Jacsun Kellogg, MSN, PMHCNS-BC, as a Child Advanced Practice Nurse for Portage County. He is Board Certified as a Psychiatric Mental Health Clinical Nurse Specialist and specializes in diagnosis and psychiatric medication management of children between 5 and 18 years old. He has a particular interest and experience in treating anxiety and disruptive behavior in children of all ages. Prior to coming to Coleman, Kellogg worked at Akron Children's Hospital in their inpatient and outpatient psychiatry departments, as well as their Partial Hospitalization Program.

Scott Pacer, M.D., Child and Adolescent Psychiatrist at Coleman said, "I am looking forward to working with Jacsun, as he has a very diverse background, working inpatient, outpatient and partial hospitalization programs, thus allowing him exceptional experience in pediatric psychiatric mental illness. A background like this is rare in Portage County in child and adolescent psychiatry." Kellogg is currently accepting new Medicaid patients. To schedule an appointment, call 330-673-1347 or 330-296-3555.

Kellogg grew up in the local area and received his degrees from Kent State University. He says, "I'm happy to be at Coleman, a local agency where I can utilize my experience and education to help the children and families of my community".

Coleman Professional Services is a nationally recognized not-for-profit provider of behavioral health and rehabilitation programs that improve the lives of individuals, families and businesses in Ohio. The company relies on an Enterprise Business Model to diversify its funding. Its social enterprises and Coleman Foundation provide nearly 25 percent of revenue to support the company's award-winning clinical services.
