

## Jackie Peck

Jackie Peck joined the Board of Trustees for Coleman Professional Services in 2008. She serves on the Marketing and Public Policy Committee and is a member of the Benevon team. Jackie became interested in Coleman through service with the ‘Circle of Caring’ in her local church, Kent United Church of Christ. This group works to increase congregational awareness of ways to welcome and support those with mental illness both within and beyond the church community. Members play bingo with residents at Abbott House each month and provide seasonal events for Coleman consumers.

Jackie teaches literacy education courses at The University of Akron. She earned her Ph.D. from Kent State University in 1995.

Jackie and her husband Bill enjoy Cleveland Orchestra concerts and Cleveland Museum of Art exhibits, traveling, and reading widely. They also enjoy visiting with their sons in Dallas and New York City!

Jackie can be reached by email at [jkpeck@uakron.edu](mailto:jkpeck@uakron.edu).
