

Julie Spalding

Julie Spalding has served on the Board of Trustees for Coleman Professional Services since 2008. She is a member of the Marketing and Public Policy Committee. Her personal mission is to share Coleman's vision with everyone she meets. Julie became involved with Coleman Professional Services through an Ambassador Breakfast, where she spoke about the wonderful experience and care her father receives at the Coleman Adult Day Care Facility. The Coleman Adult Day Care Facility is a priority to her as her father attends there 3 days a week. There is much needed support and care of the elderly and disabled persons and their families. The summer of 2009 found Julie's family, children, sisters and their children, working to raise over \$5600.00 in support of Coleman Adult Day Services. Calling themselves Kids 4 Coleman, they formed the group because of their parents' and grandparents' history of support for great causes. Now the children and grandchildren are continuing their excellence by fundraising and volunteering in the community.

Julie graduated from Ohio State University School of Pharmacy and is a co-owner of Medical Arts Pharmacy and Medical Supplies at 6693 N. Chestnut St. Ravenna, Ohio. She currently resides in Stow, Ohio with her husband Alan. They have three children, Lauren, AJ, and Stephen. She loves to spend time with her family and travel to Florida's wonderful beaches.
