

Demetrius Spikenard

Demetrius Spikenard is one of the Coleman Board's newest members and sits on the Committee for Continuous Improvement and Client Rights. Demetrius' personal experiences with Coleman services inspired him to assist others in receiving quality mental health treatment. Through his volunteerism in Coleman's Psychosocial Rehabilitation service, and then as Peer Support Specialist, a Mental Health and Recovery Board opportunity in the "peer as provider" field, Demetrius demonstrates and believes it is important to give back. He feels it is an honor to have been asked to serve on this board.

Demetrius is the proud father of Latanya, a nursing student at the University of Memphis, Keiara, a 9th grade student at Windham High School, and son Demetrius, a member of the Ravenna Ravens football team. Demetrius is also a 16-year member of the New Life Faith Ministry congregation in Ravenna.
