News for Immediate Release

COLEMAN DATA SOLUTIONS INVITED TO PRESENT AT DIVERSEABILITY EMPLOYMENT SUMMIT

KENT, Ohio (October 7, 2008) –Coleman Data Solutions, an enterprise of Coleman Professional Services, has been invited to facilitate a workshop focused on their company's proven best practices at this year's *DiversABILITY Employment Summit* in Columbus, Ohio on October 17th.

Presenters, such as Coleman Data Solutions, from nationally and locally recognized companies have been invited to share their best practices. These facilitators will also share resources in the areas of recruiting, marketing, accommodating, and recognizing the benefits of consumer inclusion of people with disabilities.

Ultimately, participants will gain an understanding of "DiversABILITY" (diversity + disABILITY) and ways to integrate disability awareness and inclusion into all business initiatives. Anticipated attendees include: top and mid-level management, human resource personnel, diversity managers, front line supervisors, and people with disabilities.

The summit is designed to showcase national best practices from employers who are committed to creating diverse workplaces including people with disabilities. The summit will educate employers, human resource personnel, supervisors, and diversity managers on why including people with disabilities in their diversity initiatives, is good for business.

Coleman Data Solutions Mission is to achieve excellence as a document management solutions provider; to provide an efficient means of solving your document management challenges through scanning, indexing, data entry, micrographics, film conversion and database integration management; and to be a socially responsible company; valuing our customer relationships, the diversity of our workforce, and the vision of a greener world.

Coleman Professional Services is a nationally recognized not-for-profit provider of behavioral health and rehabilitation programs that improve the lives of individuals, families and businesses in Northeast Ohio. The company relies on an enterprise business model to diversify its funding. Coleman's foundation and three enterprise companies produce more than 25 percent of the company's funding for its award-winning programs.
