QOL MEDS PHARMACY OPENS AT COLEMAN

KENT, Ohio (June 30, 2008) – QoL Meds Pharmacy recently opened its newest location inside Coleman Professional Services. The pharmacy will be run by Leanne Doll, R. Ph., Pharmacy Manager. The pharmacy features: easy enrollment, compliance programs, insurance, automatic refills, educational materials, one-on-one consultations and the ability to ship medications directly to people’s homes.

QoL Meds Pharmacy originated in 2000 out of Pittsburgh, Pennsylvania. The pharmacy’s focus is on behavioral health patients. QoL’s various locations are conveniently located in community mental health centers. The uniqueness of this pharmacy is in the development of the systems and programs, specialized for the behavioral health population to enhance patient compliance with medication usage. Partnerships with providers, such as Coleman Professional Services, are formed to help accomplish this initiative.

QoL meds currently operates 18 pharmacies through the United States. Locations are chosen based on research and the determination of need in an area. The pharmacies focus their attention on the clients of the community mental health center and do not serve the general public.

“Our goal is to improve the quality of life through prescriptive care. We are excited to work with Coleman Professional Services, whose mission is to improve people’s lives, so we can improve the pharmacy care patients receive,” Hart Said.

Coleman Professional Services is a nationally recognized not-for-profit provider of behavioral health and rehabilitation programs that improve the lives of individuals, families, and businesses in Northeast Ohio. The company relies on an enterprise business model to diversify its funding. Coleman’s foundation and three enterprise companies produce more than 40 percent of the company’s funding for its award-winning programs.
