SALTZMAN'S RECOGNIZED AS DISTINGUISHED COMMUNITY AWARD RECIPIENTS

KENT, Ohio (April 25, 2008) – Each year, Coleman Professional Services recognizes individuals who enhance Portage County with their outstanding leadership and service to humanitarian causes and organizations at their Annual Appreciation Dinner Celebration. Ruth and Glenn Saltzman were honored with the Distinguished Community Service Award for their commitment to improving the lives of people in their community, both professionally and as volunteers.

Ruth Saltzman, R.N., had a 30-year career in nursing, culminating with 10 years as a hospice nurse with the Portage Area Visiting Nurse Association. She was one of the founders of the Reach to Recovery program in Portage County, the first national effort to offer support to breast cancer patients and their families. Ruth volunteers on the Portage County Bio-terrorism and Disaster Response Team and is a member of the Robinson Memorial Hospital Foundation Board.

Glenn Saltzman, Ph.D., retired as Director of Basic Medical Sciences at Northeastern Ohio University College of Medicine in 1996. He is an Emeritus Professor of Behavioral Sciences. His 43-year career included 10 years as a department chair at Kent State University. Glenn also retired with the rank of Captain after 32 years in the Naval Reserve. He has held community leadership roles in the Rotary Club of Kent, local PTA's, American Heart Association, American Cancer Society, United Way, Little League Baseball and Pony Tail Softball. Recently, Glenn and Ilona Urban developed the Sister Jordan Peace Garden at Kent Social Services.

Together, Glenn and Ruth are active volunteers in a number of Kent and Portage County activities. For the past two years, they co-chaired the Robinson Memorial Gala, which raised nearly a quarter of a million dollars for Robinson's Hospice and nursing education programs. After recently co-chairing the Portage County Health Department Levy campaign, they received the "Friends of Public Health" award from the Portage County Health Advisory Council. Ruth and Glenn are active members of the Kent United Church of Christ. They are parents of Jeff, Jay

and Jill and grandparents of Dan, Andrew, Connor and Austin.

Coleman Professional Services is a nationally recognized not-for-profit provider of behavioral health and rehabilitation programs that improve the lives of individuals, families and businesses in Northeast Ohio. The company relies on an enterprise business model to diversify its funding. Coleman's foundation and three enterprise companies produce more than 40 percent of the company's funding for its award-winning programs.
