News for Immediate Release

DR. BRIAN WELSH TO SERVE AS COLEMAN'S NEW CHIEF MEDICAL OFFICER

KENT, Ohio (October 7, 2008) –Dr. Brian Welsh recently began his new position as Chief Medical Officer for Coleman Professional Services. Dr. Welsh is Board Certified in Adult Psychiatry and also has a sub-specialty of Forensic Psychiatry. He has been providing outpatient psychiatry and serving as the psychiatrist at the Portage County Jail since being hired by Coleman Professional Services in 2002. He has been a Psychiatrist for 12 years..

“I am pleased that Dr. Welsh will bring his extensive clinical background to CPS as Chief Medical Officer. His clinical skills, involvement in the community and now contribution to clinical policy development, will enhance our ability to deliver quality services,” said Sandy Myers, Vice President and Chief Clinical Officer for Coleman Behavioral Health.

Dr. Welsh did his Psychiatry training at Indiana University Medical Center and a fellowship in Forensic Psychiatry at the Center for Forensic Psychiatry in Michigan.

“I am looking forward to taking on administrative responsibilities and working with other services and the community to provide quality mental health treatment across the region,” Welsh said.

Coleman Professional Services is a nationally recognized not-for-profit provider of behavioral health and rehabilitation programs that improve the lives of individuals, families and businesses in Northeast Ohio. The company relies on an enterprise business model to diversify its funding. Coleman's foundation and three enterprise companies produce more than 25 percent of the company's funding for its award-winning programs.
