## Coleman Behavioral Health Hosts Hospitality Event

**CANTON – November 7, 2006 – Approximately 125 Canton Business Professionals attended the Coleman Behavioral Health Open House on Tuesday, October 17<sup>th</sup> that kicked off their new downtown Canton location at 400 West Tuscarawas Street.**

**Several VIPs were in attendance including the Mayor of Canton, State Representatives, and the CEO of Coleman Professional Services, the parent company of Coleman Behavioral Health.**

**Nelson Burns, CEO of Coleman Professional Services, stated: “We are very pleased to be in a new downtown Canton location. Serving families and adults who suffer from mental illness is our major focus. Additionally, we are in a better position to expand our visibility and assistance to Canton business professionals through our vocational employment, wellness programs, and our travel agency.”**

**Coleman is a nationally recognized not-for-profit corporation designed to improve the lives of children and their families. The organization uses an entrepreneur business model where over 40% of gross revenue is generated from its Foundation and three other businesses.**
